

An afternoon with Zhou Xiaoping 與周小平共度美好下午

Message from the Museum Director

In late May this year we intend to present a powerful show of the latest work by renowned Chinese Australian artist Zhou Xiaoping. As a not for profit institution, we rely heavily on patrons and benefactors to help us to deliver outstanding programs. For 2017 we have an ambitious contemporary arts agenda that we would like to deliver. To do this we really do need your support, I sincerely hope that you will be able to help us.

Peter Selinger
Director, Chinese Museum

I would like to support the contemporary arts program at the Chinese Museum. I understand that all of my donation will go towards content delivery and none will be used for museum general overheads.
